Dear members

I hope you are all keeping well and coping with these unprecedented times. (now a familiar phrase) All the photos have been taken by the BDGC WhatsApp group or are of other member's gardens. They are just a sample of the brilliant gardens and plants grown by BDGC.

If you would like to join the group please contact Jane Pope on jdspope@googlemail.com including your mobile phone number. If you don't have WhatsApp it is free and easy to download—Jane will assist you.

Garden on page 6 is Mike Warren and page 7 is Jackie Collings. If you would like to look round Jackie's garden which she tells me is now even better than in the pictures from about a month ago, she would be pleased to see you. Call her on 613494. A small donation to Papworth would be gratefully received.

Meanwhile keep safe and look forward to when
